QHSE Management System	CD1 IMS Policy Statement

## CD1: IMS (Integrated Management System) Policy Statement

Sotech provide rain screen cladding and architectural metal façade systems, including:

Manufacture of rain screen cladding panels, louvre units, gutter flashings, fascia and soffit details and bent metal components for construction.

Sotech Ltd is committed to:

- Enhancement of customer satisfaction by ensuring quality of products and services.
- Protect the environment and prevent pollution.
- Ensuring the IMS policy is appropriate to the purpose and context of the organisation, including the nature, scale, and environmental impacts of our activities, products and services, and is appropriate to the specific nature of our OH&S risk and opportunities.
- Provide safe and healthy working conditions for the prevention of work related injury and ill health. Aim to eliminate safety hazards and reduce OH&S risk.
- Consult with and encourage the participation of workers regarding workplace safety.
- Fulfil our compliance obligations, including legal and other requirements.  
Realisation of customer expectations and compliance to applicable requirements.  
Compliance to other specific commitments relevant to context of the organisation.
- Management shall set business objectives to improve IMS performance.  
Results of intended outcomes will be reviewed and evaluated periodically.
- Continual improvement of the quality, environmental, occupational health & safety management system, to enhance quality, environmental, and safety performance.
